WARMINSTER'S
COMMUNITY NEEDS,
GOALS & DREAMS

To the Residents & Business Owners in Warminster Township:

It is with great pride and humility that I write to you as a cofounder, and first elected President of the newly incorporated Warminster Business & Civic Association.

As our community grows in number and diversity, so too do our needs expand and change shape. It is our desire, and my personal goal as President, to direct the activities of this Association towards protecting and promoting the interests and needs of our local businesses and residents through strength in number, and solidarity of purpose. We need to stand up and be counted at the various levels of community government, and make our collective voices heard. As we grow, the WBCA will become a self-sufficient body that represents and reflects the spirit and goodwill of Warminster Township. Our goals are many, and can only be achieved with your support.

Join Now! The cost is minimal, the potential reward is great. A small investment in the WBCA is a large investment in the present and future well being of our community, its businesses, residents, and overall status as a great place to live and work.

Sincerely,
Marc Shragher
